Enrique,

Dana Stalcup and Greg Gervais accepted your invite to discuss the HP Buildings issue on Friday at 12:30 our time. Your December email to them is attached. We scheduled a 30 min prebrief for you tomorrow (Thurs) from 3-330 to prep you and to review the latest letter from the Navy (attached). Also attached is a Word doc that summarizes the state of play.

Tomorrow we suggest the following agenda for your prep meeting:

1. Previous ask of HQ (attached email)
2. Objectives for Friday meeting with HQ
3. Quick summary of Navy response letter (attached) + topics to further explore (at another time)
4. Timeframe for future meeting with DRC (Navy has already reached out to us with proposed dates)

Thanks, John
